To serve you better...

To keep you informed about what's happening at the Foodbank and to help you make the most of our services, we are introducing our monthly e-newsletter, Agency Update. We'll have updates on new product in, commodities and offer ways to maximize the incredible savings you can realize at River Bend Foodbank. We also want to hear from you. If you have any questions or comments just email us at tcblaughlin@mchsi.com.

Getting the most savings from the Foodbank

- Check our inventory through the website weekly or right before you shop at a grocery store.
- When you pick up your order, hand select the exact items you need from our boxes of donated food from community food drives.
- Check our selection of bakery goods that we pick up twice a week from Walmart. These items are often at a huge discount or even free.
- Iowa Agencies: Be sure to check out the list of Iowa Commodities on the website. We have a variety of canned product at shared maintenance of only .04 a lb! Plan menus around commodities

Product Alert: Chicken for Illinois Agencies!

Illinois Agencies only: We currently have Tyson Chicken Products with a shared maintenance of only .05! A delicious chicken entree for a nickel! Limited time.

Pantry Finder on Website

On our website www.riverbendfoodbank.org, we have recently updated our Pantry Finder. You can go to the Need Food tab to access the pantry finder. Once on the page, you will find a map of our service area. Click on your county and all the food pantries are listed. We are hoping that this will also be of service to our food pantries who can use the Pantry Finder to direct out of the area clients to the closest pantry in their community. Pantries, we need your help to keep the Pantry Finder current. Please check it out and make sure that your organization and hours are listed accurately.

This e newsletter can be found in the Agency Zone on our website: www.riverbendfoodbank.org
