**Dear Volunteers,**

We have an opportunity coming up on Sept. 25,26,27, 2010. We are the non profit group that the Quad City Balloon Festival has chosen to support this year! We will need lots of volunteers for this event. Needed are volunteers to collect canned goods and donations, volunteers to crew the balloons....yes you heard me right! It takes about 5 people to crew a balloon (help set it up and chase it to pack it away). No experience necessary! Volunteers will be trained. There will be 20 balloons and they will need to have a crew on Friday eve, Sat.morn, Sat. eve and Sun morn. This is a great family event and one you can help the River Bend Foodbank at the same time! *Free t-shirts will be given to volunteers.*

Check out the website, <http://www.qcballoonfestival.com/>

**Please email me or call of your interest in this event. I will then give the volunteer coordinator for the Balloon Fest your information and she will be in contact with about assignments and t-shirt sizes. (If you have already told me of your interest, I would appreciate making sure I have it on file again.)**

**A big thanks to all those faithful volunteers who come and help sort week after week! Your time and effort is greatly appreciated!**

**Other opportunities you'd enjoy...**

**Mobile Food Pantries:**

As you might have heard we now have 3 Mobile Food Pantries under our belt with 9 more coming in the near future. As we set those up, they are wonderful volunteer opportunities for kids and families. I will keep you posted of those upcoming opportunities!
